

Human Rights & Garment Conference

TRANSFORMING THE
SUPPLY CHAIN TOGETHER

Invitation

The Strategic Partnership for Garment Supply Chain Transformation is pleased to invite you to attend its joint conference. It will focus on sharing best practices and working together to move towards a more sustainable garment industry. This conference will connect trade unions, NGOs, governments, garment brands, international organisations and other important influencers who play a role in instigating change.

Key topics:
living wages, social dialogue and gender-based violence

When & Where

Thursday **18 May 2017**, 10.00 - 17.00
New World Campus
Spaarneplein 2, 2515 VK, The Hague

Programme will include

- Expert panels on:
 - Who is needed to create change in the industry?
 - The importance of proper due diligence in garment supply chains
- Sharing inspiring best practices: effective ways to improve working conditions
- Lunch
- Interactive workshops on establishing living wages, constructive social dialogue and reducing gender-based violence
- Networking and drinks

The Strategic Partnership for Garment Supply Chain Transformation is an innovative programme aimed at improving labour conditions in the garment industry. It is an initiative undertaken by Fair Wear Foundation, Mondiaal FNV and CNV Internationaal, with support from the Dutch Ministry of Foreign Affairs.
